Specializations

01  INTERNATIONAL BUSINESS
Manage diverse teams within international and multinational enterprises. Facilitate international trade and business negotiations. Understand international economies and develop strong international networks.

02  GOVERNMENT AND DIPLOMACY
Represent the United States on both Federal and State levels. Navigate the intricacies of foreign relations. Build long-lasting relationships with foreign government counterparts. Lead diverse teams to ensure the safety and economic prosperity of the United States.

03  NON PROFITS AND NGOS
Create change around the world through charitable work. Lead diverse teams within international non profit organizations. Build bridges with the international community. Solve global problems and leave your mark on the world.
Core Curriculum

IAGE Foundations

Introductory course to the MIAGE program that provides a broad overview of international affairs and global enterprise. Taken in the first semester.

International Management

Skills needed to manage a diverse team within an international organization.

International Organizations

Learn the ups and downs of various international organizations and the roles they play on the world stage.

Multinational Firms: Trade and Investments

Develop your understanding of economic principles in the context of international trade and investments.

Social Research

Learn standard research ethics and procedures. Prepare for your master research project.

International Law

Explore international law through one of many courses offered through the law school at the University.

Capstone Course

Taught by program director Dr. Stephen Bannister. This course provides guidance to students completing their master research paper during their final semester.
International Internship

- Relates to your planned career goals
- Is a responsible position with professional supervision
- Provides master's-level learning experiences

PRIORITY DEADLINE
February 15, 2021

APPLICATION MATERIALS
- Letter of Intent
- 3 letters of recommendation
- Current resume/CV
- Undergraduate GPA of 3.0 or higher
- Unofficial transcripts (official transcripts due upon acceptance)
- No test scores required for 2021, but can be submitted if desired. (High scores can help compensate for a low undergraduate GPA)
- TOEFL score (International students only, exceptions apply)

PREREQUISITE COURSES
- Introductory Microeconomics
- Introductory Macroeconomics
- Introductory Statistics (basic or applied)

OR

Request to register for PUBPL 6000:
This online course is taught during the summer semester prior to the official start of the program. It fulfills all three prerequisites while allowing you to earn graduate credit that counts as one of your electives. (You must pass the class in order to begin in the fall 2021 semester)
Advising

The MIAGE graduate assistant is available to assist applicants prior to submission of the application.

APPLICATION SERVICES PROVIDED:

- Letter of intent review with feedback
  - We will review your letter of intent prior to submission and provide suggestions and feedback.
- Resume review
  - We will review your resume and provide suggestions and feedback.
- One on one advising sessions (by appointment)
  - Ask all your questions in a one on one session. Due to COVID-19, these are currently being conducted via phone call or Zoom meeting. Our graduate assistant is a current student, and can provide you with unique insight into the MIAGE experience.

To schedule an appointment or request help, please contact Alex Bond:
