## Spring 2020 Classes

**READ FIRST---Important things to keep in mind as you select classes:**

1. While you are welcome to take any class on this list, that does not necessarily mean you have to background knowledge assumed of students in the class. Contact the instructor, introduce yourself, and determine with them that you can be successful in the course.

2. You may take one 5000–level course. Some faculty are open to cross-listing their course at the 6000 level and adding additional work. Contact the instructor early to explore this option.

3. Every class you take should be intentional and directly connected to your career goals. Schedule a meeting with the MIAGE Program Manager if you need assistance identifying the best courses for your goals.

**READ FIRST**** Important things to keep in mind as you select classes:**

1. While you are welcome to take any class on this list, that does not necessarily mean you have to background knowledge assumed of students in the class. Contact the instructor, introduce yourself, and determine with them that you can be successful in the course.

2. You may take one 5000-level course. Some faculty are open to cross-listing their course at the 6000 level and adding additional work. Contact the instructor early to explore this option.

3. Every class you take should be intentional and directly connected to your career goals. Schedule a meeting with the MIAGE Program Manager if you need assistance identifying the best courses for your goals.
